

You first log in to the address <https://childrenfirst.info/course/>

There you can see the list of versions of the course in four languages

The screenshot shows the top navigation bar with a hamburger menu icon, the text "ChildrenFirst", and a language dropdown menu currently set to "English (en)". On the right side of the header, it says "You are not logged in. (Log in)". Below the header is a banner with the ChildrenFirst logo and the tagline "Addressing Gender Based Violence from the bottom-up". The main content area starts with a "Welcome" message and a prompt to "Please select a course based on your preferred language." Under the heading "Available courses", there are two course cards. The first card is titled "5 Βήματα για Υγιείς Σχέσεις στο Σχολείο και την Προσωπική Ζωή" and includes a search icon. Below the title is a paragraph of Greek text explaining the course's origin and funding. Below the text is a link "Περισσότερες πληροφορίες για το έργο: https://childrenfirst.info/" and the European Union logo with the text "Co-funded by the Rights, Equality & Citizenship Programme of the European Union". The second card is titled "5 Steps to Healthy Relationships in School & Personal Life" and also includes a search icon. Below the title is a paragraph of English text explaining the course's origin and funding.

At the top left you can select the language for all menus and at the top right you can Login to the educational platform.

This is an annotated version of the screenshot above. Three elements are circled in red: the hamburger menu icon, the "English (en)" dropdown menu, and the "(Log in)" link. Red text labels are placed below the header: "Menu" under the hamburger icon, "Language" under the dropdown menu, and "Log in" under the login link.

When you try to "Login" you will be redirected to the Login page where you will need to create an account for the first time. Otherwise you will have to give the name and password you have created.
